

# Getting back to the start number Resource sheet

1. The frog made 4 jumps of 3 to reach 12.  
It now wants to jump back in 3s to get back to 0.  
Use arrows to show the jumps it will make.

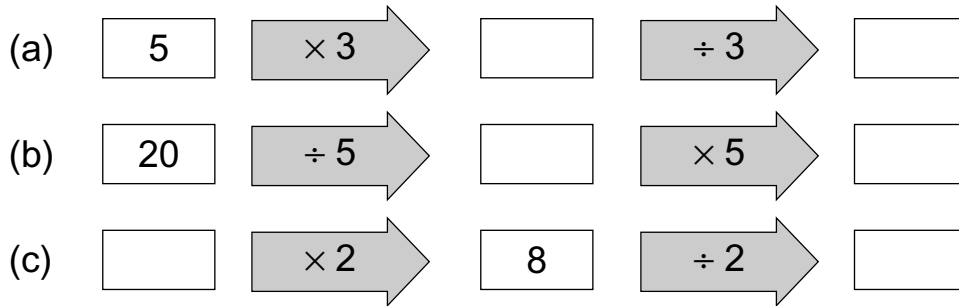

What division does this show?   $\div$   =

2. Complete these function machines.

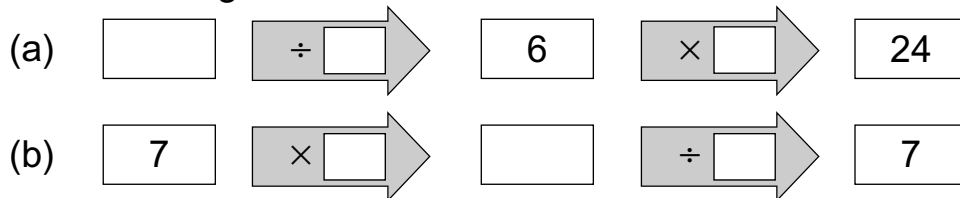

3. Fill in the missing numbers.

## Challenge

Fill in the missing numbers.

- (c) What do you notice about (b)?
